

## Leaflet Designs in Switzerland

### Duration

The initial duration is 5 years from the filing date and is 4 times renewable for 5 year periods, resulting in a maximum duration is 25 years from the filing date.

### Marking

Marking is not compulsory and marked products have no implications for awarding compensation in case of past infringement.

Marking may, e.g., be made using the following indication: (German): 'Gesetzl. gesch. Nr. ...'; (French): 'Mod. Dép. No. ...'; or (Italian): 'Mod. dep. No. ...'. When marking is made, the registration number should be mentioned. Whoever refers to design protection on goods or in business papers without mentioning the design registration number is obliged to provide this number free of charge on request of any party.
