

Leaflet Designs in the Republic of Korea (South Korea)

Duration

The duration is 15 years from the date of registration, provided that annual fees are paid in due time.

Marking

Marking is not compulsory, but advisable. Goods may be marked "Registered Design No." followed by the number, in either English and Korean, or in Korean.

License

An exclusive license must be registered with the Korean Industrial Property Office in order to be effective. A non-exclusive license should be registered in order to be effective against third parties.
