

Leaflet Designs in the USA

Territory

The U.S. design patent is valid for the territories of the U.S., the Panama Canal Zone, Puerto Rico, the Virgin Islands (of the U.S.), the American Samoan Islands, Guam and the Northern Mariana Islands.

Duration

The design patent has a duration of 15 years from the date of grant. No maintenance fees are required.

Marking

For being entitled to damages in the case of an infringement suit it is necessary that the patented product or - if this is not possible- the packaging thereof or any related paperwork is marked by a notice pointing to the patent protection. Usual marking: "U.S. Patent No." or „Pat. U.S.“ followed by the number of the design patent. A party failing to mark the protected product may recover damages only for infringement occurred after the party has notified the potential infringer of the protection by the design patent.
