

Leaflet Trademarks in Hungary

Duration

The duration is 10 years from the date of filing, indefinitely renewable for further periods of 10 years. Renewal has to be applied for during the last 12 months of a registration period, or within a grace period of 6 months after expiration.

Compulsory use

If, without valid reason, a registered mark is not used for a period of at least 5 years to a sufficient extent, anyone may apply for annulment of the trademark. To keep the trademark in force for all registered goods or services, use for only some of the goods or services is not sufficient. If trademark licenses are granted, use by a licensee is equivalent to use by you, the trademark owner, in this respect.
