

Leaflet Trademarks in Jordan

Duration

The duration of trademark proprietary rights is 10 years from the date of filing (or the priority date in the case of applications claiming Convention priority) and is renewable for further periods of 10 years each.

Compulsory use

Any interested party may request the cancellation of any trademark registered for others if such trademark has been actually and continually non-used for 3 consecutive years prior to such request, unless the proprietor of the trademark is able to prove that non usage of such trademark is due to acceptable legitimate reasons. Use of the trademark by the licensee shall be deemed usage by the owner himself/herself.

Marking

There are no marking requirements. Marked products have no implications for awarding compensation in case of past infringement.

License

The trademark owner may grant a license of his/her trademark for use in Jordan. The license is to be filed in the Industrial Property Protection Department/Trademarks Section through a request to add the name of the licensee in order that the later may use such in Jordan. We suggest that you contact us in case you wish to grant a license of your trademark in Jordan.
