

Leaflet Trademarks in Kuwait

Duration

The duration of registration of your trademark in Kuwait is 10 years from the date of application, indefinitely renewable for 10-year periods.

Compulsory use

In Kuwait, a registered mark must be used seriously within 5 years from the application date and the use thereof may not be discontinued for 5 years or longer, otherwise its registration may be cancelled. Proof of use must be produced in the court, if a third party applies for cancellation on the basis of non-use.

Marking

When a registered mark is in use, it is advisable to mark encircled ® to indicate that it is registered.
