

Leaflet Trademarks in Macao

Territory

The trademark is valid for the territory of the Special Administrative Region of Macao in the People's Republic of China.

Duration

The duration of the trademark is 7 years from the date of granting. It is indefinitely renewable for further 7-year periods.

Compulsory use

A registered trademark should be used. If a registered trademark has not been used without legitimate reason for three consecutive years a third party may request cancellation of the trademark.

Marking

Marking is not compulsory. But it is strongly recommended to place the sign ® after the registered trademark on products, packaging or promotional materials, or using the term "registered trademark" with or without the registration number. Other possible markings are: "Marca Registada", or "M.R.", or "chu chak seong pio" (Cantonese), or "zhu ce shang biao" (Mandarin).
