

Leaflet Trademarks in Malaysia

Duration

The duration of the trademark is 10 years from the filing date or, if a priority is claimed, from the priority date, and indefinitely renewable for further periods of 10 years each.

Compulsory use

In Malaysia, a registered mark must be used within 3 years from the registration date, and the use thereof must not be discontinued for a period of 3 years or longer. Otherwise any aggrieved person may apply to the High Court for the removal of a mark. The permitted use of a registered mark by a registered user shall be deemed use by the registered proprietor.

Marking

Marking is not compulsory but advisable. It is possible to use the marking "Registered Trade Mark" or the symbol '®'.

Miscellaneous

Any assignments of the trademark have to be recorded in the Malaysian trademark register. Please contact us if you intend to assign the trademark in Malaysia to a new owner.
