

Leaflet Trademarks in Poland

Duration

The duration of the trademark is 10 years from the date of filing the application; and it is indefinitely renewable for like periods.

Compulsory use

The rights conferred by the registered trademark will lapse, if the trademark has not been genuinely used by the owner or with the consent of the owner of the trademark for a period of 5 consecutive years and there are no serious reasons for the non-use. In such cases of non-use any person having a legitimate interest may request the Patent Office for a declaration that the right of protection has lapsed.

Marking

Marking is not compulsory. For the purpose of marking the symbol “®” in combination with the mark may be used; also marking with “Reg. No. ...” is possible.
