

## Leaflet Trademarks in Slovenia

### Duration

The duration of the trademark is 10 years as of the filing date and can be renewed indefinitely every 10 years.

### Compulsory use

A registered trademark must be used in Slovenia. If a registered trademark without legitimate reasons has not been used by the proprietor or with his consent in Slovenia during 5 consecutive years or more after the registration, any interested party may initiate cancellation of the trademark.

### Marking

Marking of goods and services for which the trademark is registered is not compulsory.
