

Leaflet Patents in Kazakhstan

Duration

The patent has a duration of 20 years from the date of filing, provided that the annual fees are paid in time.

Compulsory use

From grant on a patented invention should be sufficiently worked, so as to satisfy the needs of the domestic market. Importation is considered as working. If the patent owner fails to continuously use the invention within 4 years following the grant without valid reasons, any person may apply for a compulsory license.

Marking

The patent owner may affix a marking indicating that the used industrial property subject matter is patented.
