

Leaflet Patents in Malaysia

Duration

The duration of a patent is 20 years from the filing date of the application.

Compulsory use

A patent should be sufficiently worked within 3 years from its grant, or 4 years from the filing date of the patent application, whichever is later; otherwise, it may become subject to the grant of compulsory licenses.

Marking

Marking is not compulsory, but may have implications for the amount of compensation in case of past infringement.

License

Particulars of the license contract should be recorded in the Register. We recommend you to contact us if you intend to grant a license under your patent in Malaysia.
