

Leaflet Patents in Venezuela

Duration

The patent has duration of 10 years from the date the application is granted, subject to the payment of annuities.

Compulsory use

The deadline for working an invention in Venezuela is two years from the date of grant. If the invention is not worked within the two-year period from grant, then the patent is considered abandoned.

Marking

Marking of a patented product is required. Marking should be 'Patente de Invención' or 'P.I'.
