

Leaflet European Patent in Albania

National patent number

The Albanian part of the European patent will be assigned a national patent number.

Duration

Provided that the annual national renewal fees are paid, the patent has a duration of 20 years from the European filing date.

Compulsory use

A patented invention should be sufficiently worked within 3 years from grant or 4 years from filing, so as to satisfy the needs of the domestic market. If there is no such working without legitimate reasons, any person which has made efforts to obtain authorization from the patent owner on reasonable commercial terms and conditions, and if such efforts have not been successful within a reasonable period of time may apply for a compulsory license.

Marking

The marking of patented products is not compulsory.
