

Leaflet European Patent in Hungary

National patent number

The Hungarian part of the European patent will be assigned a national patent number.

Duration

Provided that the annual national renewal fees are paid, the patent has a duration of 20 years from the European filing date.

Compulsory use

There is no direct use requirement, but a compulsory license can be requested by a third party if there is no use in an appropriate manner.

Marking

Marking is not compulsory. However, usually products are marked by the word "Szab." (pat.).

EU member countries

Hungary is a member of the European Union (EU). As far as patents are concerned, this has the consequence that once products protected by the patent are sold by or with the permission of the patentee in one EU member country, shipment of these products into and out of other EU member countries basically cannot be prevented.
