

Leaflet European Patent in Iceland

National patent number

No national patent number is assigned to the Icelandic part of the European patent.

Duration

Provided that the annual national renewal fees are paid, the patent has a duration of 20 years from the European filing date.

Compulsory use

Within 3 years from the date of grant or 4 years from the date of filing of the application, whichever period ends last, the patented invention should be worked to a reasonable extent in Iceland. If there is no such working without legitimate reasons, any person may apply for the grant of a compulsory licence

Marking

Marking is not compulsory. If desired, products may be marked "Íslensk einkaleyfi nr." followed by the number of the patent.
