

Leaflet European Patent in Macedonia

National patent number

The Macedonian part of the European patent will be assigned a national patent number.

Duration

Provided that the annual national renewal fees are paid, the patent has a duration of 20 years from the European filing date.

Compulsory use

If the holder of the patent does not use or insufficiently uses the patented invention and refuses to grant a license, a compulsory license may be granted to a third party upon request. A request for issuing of a compulsory license can only be filed later than 4 years after filing of the patent application.

Marking

The marking of patented products is not compulsory.
