

Leaflet European Patent in Slovenia

National patent number

No national patent number is assigned to the Slovenian part of the European patent.

Duration

Provided that the annual national renewal fees are paid, the patent has a duration of 20 years from the European filing date.

Compulsory use

The law defines no use requirements.

Marking

The law defines neither obligation nor prohibition of the use of any symbol in connection with the patent.

EU member countries

Slovenia is a member of the European Union (EU). As far as patents are concerned, this has the consequence that once products protected by the patent are sold by or with the permission of the patentee in one EU member country, shipment of these products into and out of other EU member countries basically cannot be prevented.
